Town of Riverhead Paul Caiola, Senior Managing Director of Zere Real Estate Services has just leased a over 22,800 SF of commercial industrial space at 401 Burman Blvd. Calverton. The company

Paul Caiola leased space to originally wanted 5,400 SF in December of 2010 but quickly soon decided to expand their base operations on site. The building management was all too accommodating for this new tenants expanded and

upgraded request.

The company leasing the space specializes in commercial landscaping and artificial turf surfaces throughout the United States. “CIV Enterprises decided to utilize the Calverton location because the property management was attentive to their tenants changing business needs, along with the fact that the new tenant was very attracted to the variety of the facilities loading options, high ceilings and open space to store product.”
