## Marie Zere of Zere Real Estate Services share best advice ever received

Marie Zere

Zere  
Real Estate  
Services

**What is the  
BEST advice  
you have ever  
received?**

“Get It In Writing” was the best

advice ever given  
to me in business.

If people are sincere with working with you they will have no problem signing a contract that states the terms and conditions of the arrangement.

If they do not sign

your paperwork then that is a giant red flag they will not be cooperative.
